

Bread Rolls

Recipe makes:

6 Rolls

Preparation time:

10 minutes

Baking time:

20-25 minutes

Nutritional Information	1 Roll
Energy	186kcal
Carbohydrates of which sugars	2.4g 1.1g
Protein	7.7g
Fat	16.2g

Ingredients:

- 156g ground almonds
- 25g psyllium husk
- 2 ½ heaped tsp baking powder
- Pinch of salt
- 2 large eggs, beaten
- 1 tsp vinegar
- 130ml freshly boiled water
- Spray oil

Chefs Tip:

- Great with Curry bean salad (see separate recipe card).

Method:

1. Preheat the oven to 180°C/ fan 160°C/ gas mark 4.
2. In a medium bowl, mix the ground almond, psyllium husk, baking powder and a pinch of salt together.
3. In a separate small bowl, mix the eggs and vinegar together and add to the dry ingredients.
4. With clean hands, mix the egg and flour mixture into a dough.
5. Add the boiling water into the dough and beat well with a wooden spoon until dough-like consistency is achieved. Take care not to burn yourself. The dough should start to froth and swell, this is normal.
6. Divide the dough into 6 equal sized balls and shape into your preferred shape.
7. Line a baking tray with parchment paper, add the dough balls and lightly spray them with the oil.
8. Bake for approximately 20-25 minutes until golden brown.
9. Remove from the oven and place the rolls on the cooling rack.

This recipe can also make flat breads

Follow steps 2-4 as above.

1. Divide the dough into 16 equal balls and roll each ball in between parchment paper into 15-17cm/ 6-7inch diameter sized rounds.
2. Lightly oil a pan with spray oil and fry the flat bread for 1 minute each side until golden brown.
3. Stack flat breads by adding parchment paper between them.
4. The flat breads are now ready for filling.
